### Horton Fick Joins Greater Alabama Huntsville Firm

Huntsville, Ala. — The appointment of Horton Fick as Vice President of The Greater Alabama Corporation has been announced by James A. Lane, chairman of the Board of the diversified holding company, which was founded and is headquartered in Huntsville. In addition to real estate holdings in the Huntsville area, Greater Alabama owns an office building in Florence, Ala., and property in downtown Birmingham on which the largest motel in Alabama will soon be built. The Corporation now has approximately 1,500 stockholders. The corporation also owns a mortgage company, a finance company, and a development company.

**15 Years In Elba**  
Joining Dorsey Trailers after the war, on the date of its incorporation, April 1, 1946, Fick was active in the number five civic activities during his 15 years residence in Elba. He was a member of the Lion Club, American Legion, VFW, a director of the Chamber of Commerce, active in the Red Cross, Boy Scouts, and Industrial Development Committee.

As a member and finally President of the Elba Board of Education, he worked constantly toward the improvement of the local educational system. His son, Michael, was graduated from Sidney Lanier High School in Montgomery, and will attend the School of Engineering Science at Florida State University this fall. Terry will enter the ninth grade in Huntsville, where the family will reside.

In making the announcement of Fick's appointment, Lane said, "The Executive Committee of The Greater Alabama Corporation feel that we are indeed fortunate to bring into our organization, as an officer, a man of Mr. Fick's demonstrated abilities, outstanding performance, and character. He has served with distinction in his positions and has been an important part of the community in which he has worked and lived. I am sure that Mr. Fick and his family will be valuable additions to the community life in Huntsville. Among his other duties as vice president of Greater Alabama, Mr. Fick will be in charge of stock sales which have increased steadily since the Corporation was founded in late 1959."

**Born Near Ozark**  
Dr. Hayes was born on a farm at Long Street, ten miles west of Ozark, October 29, 1883, and graduated in medicine from the Louisville, Ky., Medical College in 1908. He first opened an office in New Brockton, then removed to Enterprise, Jan. 1, 1910, where the first hospital in Coffee county had been established in 1908 by Dr. Flemming and Dr. Massey. In Enterprise, Dr. Hayes' practice was limited to eye, ear, nose and throat.

He removed to Elba Jan. 1, 1912, in co-practice with Dr. H. Bradley, who later moved to Elba. He had just purchased his first automobile when he removed to Elba. He has been here ever since.

**Wed New Brockton Girl**  
Dr. Hayes was married to Miss Kate Stephens of New Brockton July 23, 1911. She was born June 21, 1892. They have one son, Charles P. Hayes, Jr., born May 17, 1913, who is married to the former Miss Louise Mitchell of Montgomery. They have two granddaughters, Charles P. Hayes III, and Miss Suzanne Hayes, and one great granddaughter, Katrina, Charles P. Hayes III is married to the former Miss Becky Colquitt. A physician now is able to do far more for a patient than when he first started the practice of medicine, he recalls. At that time there was only one medicine that would cure everything. That was quinine, "to cure malaria. All other illnesses were treated with whatever medicine the doctor had. The thought best" and then hoped the Lord and nature would come to the rescue."

**Near Miraculous**  
In the intervening years it has seemed little short of miracles as penicillin and other antibiotics have been developed as specified cures for a variety of illnesses.

Dr. and Mrs. Hayes both say their marriage life has been very happy but that there is no simple formula to make a marriage a success.

Half a lemon on a shelf of the refrigerator will help to absorb odors.

**Correction**  
Johnny L. Lockett, Negro, of Montgomery, was incorrectly reported in the last issue of The Elba Clipper to have been fined \$5.00 and costs on a charge of possession of whiskey. He was arrested by city police in a raid on his home when police, he broke a container filled with whiskey and they managed to get enough in a pan for evidence. Trial is set for next Monday, July 31, before Mayor Dozier Robert.

### New Firm Opens At Brundidge As Clio Gets Plant

The opening of Recipe Foods Plant at Brundidge has been followed by announcement of the location of a new garment manufacturing plant at nearby Clio.

The Brundidge plant of Recipe Foods was formally opened May 23. The new garment manufacturing plant at Clio is expected ultimately to employ 180 persons, a member of the Clio Industrial Development Board has announced.

**Women's Apparel**  
Dan Easterling, mayor and industrial board member, said the Clio Manufacturing Co. will be the production of women's apparel with a small training force and expand its number of personnel to 100 within about 10 months. Employing mostly women, the firm will manufacture types of women's sportswear. Its payroll has been estimated at \$450,000 when the plant reaches full production.

**Out-of-Town Owners**  
Easterling said the plant is owned by out-of-town partners and is connected with a reputable manufacturing firm in the South. It has established sales outlets for products manufactured here, he added. An abandoned school building has been purchased by the Clio Industrial Development Board and is being renovated for occupation by the manufacturing firm.

George Schell of Atlanta, Ga., who has been succeeded with the manufacturing business for 28 years, is the president of the company and will be plant manager.

**Work Elsewhere**  
This Barbour county city of 1,000 population has no industry to employ women. Many women live here looking for work. In Enterprise, Okla., and other nearby towns.

**Stove and Couch Damaged By Fires**  
Two fires were extinguished during the past week by the Fire Department.

A couch in the home of Cassie Adams, colored, was damaged when it became ignited from an electric wire short circuit Friday, July 21, at 3 p.m. Damage was estimated at \$150. An electric stove in the home of Claude Stewart short circuited Monday, this week, at 4:30 p.m. with damage estimated at \$80.00.

Firesmen held two drill calls Monday, this week, and Monday, last week.

**BIG TOMATOES**  
J. L. Harper, of Rt. 1, New Brockton, recently picked a tomato weighing one pound, and one and a half ounces, in his garden. But that wasn't an exception. Six other tomatoes on one stem weighed a total of three and a half pounds. Mr. Harper says "you have to select tomatoes for the climate and the region in which you grow them. Tomatoes that grow best in one part of the state won't grow best in another part."

**Spurlin Is Named To City Council**  
J. F. Spurlin was elected by City Council Monday, this week, to fill the unexpired term of Ross Smith who resigned when he removed to Fort Walton, Beach, Florida.

Mr. Spurlin is a well known pulpwood dealer, known to all his friends as Fulton Spurlin.

A gasoline bath will restore the sparkle to rhinestone jewelry. After a five minute soak, rub the jewelry dry with a flannel cloth.

### Close Races Mark City Loops Here

The Yankees continued undefeated in the Little League while the Petitions led the Powder Puff League and the Dodgers stayed ahead in the Pony League with the Tigers atop the Pee Wee League this week, as a new division was organized in the Powder Puff League.

The Pirates defeated the Braves 3-1 in the Little League July 19 as Roger Wise for the Pirates and Dean Smith for the Braves tangled in a pitching duel. Wise struck out 13 as he gave up only two hits while Smith struck out 14 and gave up only three hits, all three being collected by Joel Martin. A strike all-star game was called for Wednesday, this week, at 5 p.m., with a girls' team chosen by team captains to play a team of young adult women.

The recreation hall at the City Pool is open daily from 1:30 to 4 p.m. except Monday and Friday when it closes at 3 p.m. The City Pool, however, is open daily from 9 a.m. to 5 p.m. and attention has been called to the fact that the pool hours are different from the hours of the recreation hall.

**Banks Increase Loans To Farms**  
Alabama banks were serving farmers with increased credit and other financial services at the beginning of this year, according to D. F. Reeves, President, The Citizens Bank, Enterprise, Ala., who represents the Alabama Bankers Association as Coffee County Banker. During 1960, the state's banks maintained their leadership in agricultural credit services.

Based on the 29th annual farm lending summary of the Agricultural Committee of The American Bankers Association, Mr. Reeves reported that at the beginning of the year, Alabama banks were helping farmers with \$15-million in loans, 6 percent more than a year previous. This total included \$48-million in production loans and \$32-million in farm mortgages. At the same time, \$21-million in farm loans was held by life insurance companies; \$97-million by the Federal Land Bank; \$17-million by Production Credit Associations; and \$5-million in non-real estate loans plus \$20-million in real estate loans by the Farmers Home Administration. About 82 percent of the production credit extended by lending institutions to Alabama farmers came from banks.

Mr. Reeves said that "farm lending nationally is a \$200-billion industry which means that an average farm represents better than a \$50,000 investment, with \$150-million in farm operations running well above \$1-million. Capital requirements to operate today's farm businesses are increasing and farmers are finding a greater need for the use of borrowed funds to meet this changing need, banks in Alabama have the job of seeing that the legitimate credit needs of farmers are met on terms which will bring returns to both borrower and lender and strengthen the economy."

"While farmers have not been sharing fully for a period of years, in the relatively favorable national income, agriculture is not insolvent. Bank farm loan delinquencies are very low and farmers' equities generally are in a favorable position."

**The Standings**

**Little League—**

Yankees	6	0
Pirates	3	3
Braves	3	4
Giants	1	6

**Pony League—**

Dodgers	W	L
Giants	1	6
Red Sox	3	1
Cardinals	4	4
Pee Wee League	W	L
Tigers	2	1
Indians	1	2

Friday, this week, the Yankees will play the Pirates while the Dodgers play the Red Sox. Next Monday, July 31, the Braves will play the Yankees and the Cardinals will play the Red Sox.

**Petitions Unbeaten**  
The Petitions continue undefeated in the Powder Puff League with three victories, while the Black Pirates are even with one victory and one defeat, and the Prissy Primers 12-11 with three defeats and no victories.

The Black Pirates outscored the Prissy Primers 12-11 in Thursday, last week, although the game was called after five innings because of rain. The Petitions again defeated the Prissy Primers by a one-score margin, 18-17, Monday.

Proctor hit two homers and Jan Dowdy hit one homer for the losing Primers, the only homers of the season so far in the Powder Puff League.

### A GIANT STEP BACKWARDS...

The Alabama House has taken a giant step backwards in its 80-13 vote to set up a so-called Un-Alabama Activities Committee. Let it be hoped that this bill fails to pass the Senate.

It is fraught with dangers to the reputations of Alabama's best citizens. Consider the following:

(1) Political campaigns have a way of boiling over with anger by candidates and their supporters. Yet everyone in the campaign must always take care that he does not smear the character of his opponent because he cannot only be sued for damages but go to jail if he makes unsupported charges that his opponent is a Communist or a thief.

(2) Yet a witness can go before an investigating body of the U. S. Congress or a state legislature and make almost any kind of character-assassin attack and be free of a damage suit or threat of jail. Newspaper reporters present may cringe at the thought of sending over the press wires, for publication in newspapers, that a college professor or minister has been charged with Communism, knowing it to be without foundation. Yet, presented in the way it is, it becomes news and reporters have no alternative.

If you still have around the house a copy of last Sunday's Montgomery Advertiser, turn to Page 3-B and read the column by Ray Jenkins entitled "Where Will It End?" He presents a detailed analysis of how, if this bill becomes law, "Neighbor will inform upon neighbor; the spy and the talebearer will occupy a level of human dignity never before attained in the history of mankind. And all Alabamians will act, speak, and think precisely as the Un-Alabama Activities Committee would like them to act, speak, and think."

### 21 YEARS AGO— FROM OUR EARLY FILES...

Sixteen members of the Elba Chapter, Future Farmers of America with W. P. Geiger, vocational teacher at Elba high school, and W. J. Brown, member of the Coffee Board of Education, returned to Elba after a bus trip which carried them in five states and Mexico, traveling a distance of 3,157 miles. They left Elba and traveled 12 days. The following boys made the trip: Robert Starnes, Jr., English, James Goodson, L. P. Parrish, Glen Hurston, Cletus Wise, James Head, Charles Brown, Elton Maddox, John Frank Kendrick, John Glen Lee, Howard Lasseter, Byron Folsom, Robert English, Billy Walsh and Cecil Parker.

J. W. Blocker, carrier on Elba, Route 3, was in Birmingham several days attending the annual convention of Alabama Rural Letter Carriers.

Miss Jule Bradley entertained a group of young friends at a delightful rook party in her home, honoring her guest, Miss Virginia Sue Bradley of Montgomery. Guests on this occasion were the honoree, Miss Virginia Sue Bradley, Miss Catherine Mullins, Miss Mary Hutchinson, Miss Martha Ann Dixon, Miss Martha Edmondson, Miss Joan Clark, Miss Carolyn English, and Miss Jule Bradley.

The Past Time Rook Club was delightfully entertained by Mrs. Wayland Young in her home on Hickman Avenue. Rook was played at four tables as the following guests attended: Mrs. John Bonneau, Mrs. Jim Whitman, Mrs. T. D. Kendrick, Mrs. Dan Prescott, Mrs. George Collier, Mrs. Hollan Harrison, Mrs. Spencer Ziglar, Mrs. F. F. Clark, Mrs. J. O. English, Mrs. Wesley Ham, Mrs. John Wiley English, Mrs. T. T. Rhodes, Mrs. Sam Young, Mrs. James English, Mrs. Gordon Prescott, and the hostess, Mrs. Young.

## KNOW YOUR NAVY

ADM. SAMUEL F. DUPONT

ALTHOUGH THE UNION'S BLOCKADE OF THE SOUTH IN 1861 WAS EFFECTIVE, IT WAS DECIDED TO HIT THE BIG CONFEDERATE PORT OF PORT ROYAL, S. C. EVERYTHING THE NAVY COULD SPARE, TEN FEDERAL WARSHIPS, ADMIRAL DUPONT IN COMMAND, BOLDLY SAILED BETWEEN TWO HARBOR FORTS BEAUGARDED AND WALKER EMBARKING THEM WITH HEAVY FIRE. THREE TIMES DUPONT'S SQUADRON RAN THE GUNNED OF FIRE FROM SHORE BATTERIES. THE BATTLE OVER, BOTH PORTS WERE RUINED AND A KEY PORT WAS LOST TO THE BOLD STRATEGY OF ADM. DUPONT.

### Mrs. Reeves And Grimes Installed By Legion Units

The American Legion and Auxiliary, Culver Post No. 42, met for regular monthly meeting. The following Legion officers were installed by Ninth District Vice Commander Edwin L. Johnson:

Commander: Haywood L. Grimes; 1st Vice Commander: Edlow Bryan; 2nd Vice Commander: Jessie Murphy; Adjutant: Olin Bailey; Finance and Service Officer: Maxwell Reeves; Chaplain: Dick Davis; Historian: Grady Thomas; Sgt. at Arms: Everett Kelley and William Scarborough; Bugler: Tommy Britt.

The Auxiliary installed the following officers:

President: Evelyn Reeves; 1st Vice Pres. Martha Kate Martin; 2nd Vice Pres. Irene Kelley; Secretary: Laura Lou Grimes; Treasurer: Pastine Bryan; Historian: Ruth Hawkins; Chaplain: Wayne Boswell; Sgt. at Arms: Lorene Bryant.

The past president's pin was presented to Mrs. Margaret Johnson and thanks extended to her for services rendered the past year.

The out-going Commander, Gerald Tucker, recalled the accomplishments of the year's work of the post and thanked the membership.

### Rainfall Not Too Much Here So Far

Appearances are sometimes deceiving, and J. Dryden Smith, who keeps weather records as a hobby, said today, they haven't been as much rainfall in the last week or two as it appears.

The first week of July there was only 2 of an inch, last week's showers totaled 1-1/2 inches, and sporadic rainfall since have totaled a little more. Crops continue in good shape with neither too much nor too little rainfall.

### Legion Sets Plans For Guard Reunion

The American Legion and Auxiliary held a called meeting Wednesday, last week, to plan the noon meal for the National Guard Reunion to be held Aug. 5 at the Army.

J. Doug Kendrick and Martha Kate Martin were appointed chairmen of the arrangements.

Major Dozier S. Bryan also thanked the Legion and Auxiliary for their cooperation in helping to make the plans for the reunion.

### Soldier From Elba Serves In France

1st Lt. George W. Johnson, Jr., 27, whose parents live on Route 3, Elba, recently was assigned to the 97th Engineer Battalion at the U. S. Army Ammunition Depot in Trois Fontaines, France.

Lt. Johnson, a platoon leader in the battalion's company A entered the Army in February, 1959.

The lieutenant is a 1952 graduate of Elba high school and a 1958 graduate of Auburn University.

### Applications For Winter Cover Crops Now Taken by ASC

The Coffee County ASC Committee has opened the 1961 Agricultural Conservation Program and is now taking applications for cost shares for the establishment of winter cover crops and other practices that may be carried out in the fall of the year.

This program will remain open for taking applications for cost shares through August 15, 1961. Applications filed after August 15, will be considered late filed applications and will be approved only if funds are available to the committee for use to approve late applications.

All Coffee county farmers are urged to consider the conservation needs and make application for cost shares at the Coffee County Office in New Brockton for practices which may be carried out during the fall of 1961.

Assistance is being offered, but is not limited to, the following:

1. Initial establishment of permanent vegetative cover.
2. Initial treatment of farmland by liming.
3. Planting or interplanting of trees on farmland.
4. Improvement of stand of forest trees.
5. Establishment of permanent sod waterways.
6. Construction of terraces.
7. Construction farm ponds or waterholes.
8. Establishment of vegetative cover for winter protection.

Producers are urged to take advantage of this opportunity to carry out any needed practices for their farms.

### Charges Divorce Mill In Crenshaw

Hugh W. Sparrow, staff writer for The Birmingham News, wrote recently that Senator Alton Turner, who represents Pike, Crenshaw and Coffee counties in the State Senate, and his law partner have handled 57 per cent of the alleged 800 divorces granted in Crenshaw county in 1959 in what he described as a "quickie" divorce bill.

Sparrow said that the divorces were handled under a recently adopted legislative act which permits a court to handle a divorce without requiring long residence in the state. Turner's law partner is C. J. Kettler, Jr.

### THE CHURCH FOR ALL— ALL FORTH THE CHURCH

The Church is the greatest factor on earth for the building of character and spiritual values. It is a stronghold of faith, hope, and love. Without a strong church, no society can survive. There are four sound reasons why every person should attend church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Swing me, Mommy, she says. Swing me high! All the way up to the clouds, if you can!

I smile and say, "I can't; not that high, darling." But still I push the swing and watch her soar skyward. Then she comes back to earth again, giggling, "That time I nearly touched the clouds, didn't I, Mommy?" I laugh and say, "Well—nearly, perhaps!"

I look down at her, and for a desperately tender moment I wish that I could always keep that smile on her face, this laugh in her voice, the happy conviction that she nearly touched the clouds. Like all parents, I yearn to spare my child sorrow, anger, hurt of every kind. I yearn to keep from her the knowledge that none of us ever quite touch the clouds. And I know I can't.

So I am thankful—more thankful than ever—for the Church, and the lessons it is teaching her. None of us can give our children perpetual sanctuary. But all of us can help them find Faith.

Public Relations  
Department Formed  
By Mutual Savings

DECATUR — Mutual Savings Life Insurance Company today announced the creation of a Communications and Public Relations Department.

Redus C. Collier, President, said that John D. Sherrill has assumed duties as Director of the Department which will be located in the Home Office Building here.

This new Department will be charged with internal and external communications and will assist in Advertising, Sales Promotion, Community Relations, Employee Relations and work closely with agency and sales training, Collier stated. Our plans also call for improving our relations with our many policyholders, stockholders, brokers and the public at large of all Mutual Savings activities.

Mutual Savings Life Insurance Company was founded in 1927 and since then has over \$200 Million Dollars of life insurance in force. It is the largest insurance company in Alabama, with home offices located outside of Birmingham.

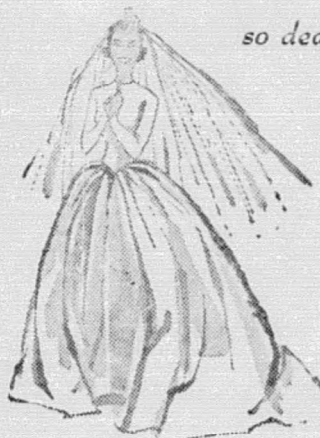

In announcing the new de-

partment, it was pointed out to more than 600 Mutual Savings employees in six states that: Communications means sharing information. It is a basic human activity. You do something relating to communications all day long. One of the basic problems is for the person who receives your message to interpret it the way it was intended.

Sherrill graduated from Decatur high school in 1943. After serving in the U. S. Air Corps until 1946, he received his Bachelor of Science degree in Commerce and Business Administration from the University of Alabama in 1951. For the past four years he was employed with the Chemstrand Corporation in Decatur in Public Relations. He has held management positions with Hunter Furniture, Decatur; Shell Oil Co., Houston, Tex.; and the Birmingham News, in Birmingham.

## STARTS TRAINING

Private Norman W. Grantham, son of Mr. and Mrs. William N. Grantham, of Rt. 5, Elba, is presently assigned to Co. D, 10 Battalion, 5th Training Regiment of the U. S. Army Training Center, Infantry, at Fort Jackson, S. C., where he is undergoing eight weeks of Basic Combat training.
